Equine Activity Waiver & Horse Rental Agreement

Please carefully read the following liability waiver and rental agreement for horseback riding and/or horse related activity at B.L.T. Riding Trails LLC. (Herein called BLT) before signing. At BLT we consider safety to be a top priority, so that your riding experience will be a pleasant one. Thank you for your patronage, we hope you have a safe and enjoyable ride.

I am over 18 years of age. I acknowledge that B.L.T. Riding Trails is providing instruction and/or trail riding which I and/or my minor children as listed under "Registration of Riders" wish to participate. I recognize and acknowledge that my/their participation in such activities and any other activities which may include equine activities, involves the possibility of inherent risks including, but not limited to the following: The propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine; the unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, persons, or other animals; hazards, including, but not limited to, surface or subsurface conditions; a collision with another equine, another animal, a person, or an object; the potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.

Saddle Girth Natural Loosening

I understand that saddle girths may loosen during a ride. If a rider notices this, he/she must alert the nearest guide or wrangler as quickly as possible so action can be taken to avoid slippage of saddle and a potential fall from the animal.

Risks to Unborn Children

Because of the inherent risks of riding horses to the safety of unborn children, BLT advises pregnant women not to ride horses.

Protective Head Gear

I have been fully informed by BLT that I can better protect myself against head injuries by wearing ASTM approved protective equestrian head gear while mounting, riding, dismounting and being around horses. Mark a "☒" below in the "Rider Registration" table for each rider indicating the appropriate decision regarding the wearing of such equipment on the ride(s) in which you are contracting herein to participate.

BLT HELMET: Request to wear a BLT approved ASTM Helmet	I request to wear ASTM approved protective equestrian head gear which BLT will provide, understanding that these may not be of perfect fit for my head, and once provided I will be responsible for securing the protective head gear on my head at all times.
MY HELMET: Wear your own Helmet	I will wear protective head gear which I, the undersigned, am providing and I will accept full responsibility for this decision. I am not relying on BLT to determine my head gear's quality or suitability.
NO HELMET: Refuse to wear Helmet	I refuse to wear any type of protective head gear and I accept full responsibility for this decision.

With full knowledge of the above and any other inherent risks which may be associated with equine activities, I hereby consent to our participation in the above described activities, and I (on behalf of myself and/or my children/legal ward(s)) agree to waive any and all claims for personal injury or property damage of any kind which my children, I or my heirs, personal representatives and next of kin may have or which may arise against B.L.T. Riding Trails LLC. as a result of my/their participation in such equine activities, whether or not such injuries or damages result from negligence or legal liability. On behalf of my children herein listed, myself, my heirs, personal representatives and next of kin, I hereby release and discharge B.L.T. Riding Trails LLC., its successors, assigns, affiliates, directors, officers, employees and agents from any and all liabilities, claims, lawsuits, losses, costs, causes of action and damages of any kind originating or in any way arising from my/their participation in such equine activities.
